

## *Thanksgiving Update*

Dear Residents/Families/Friends,

As Thanksgiving quickly approaches this week, we want to take a moment to thank you for your continued support throughout this pandemic. Our facility has faced unprecedented challenges over the last eight months and we appreciate your patience and understanding as we do our best to ensure your loved ones remain safe.

We are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with a wonderful Thanksgiving. And while the recent rise in COVID-19 cases all over the country has affected how we all are celebrating this holiday, our facility will be serving Thanksgiving dinner with all the trimmings, in addition our activities department will be handing out pie. We will have our hydration cart that will offer sparkling cider and we will have our football parlay that day which will be handed out in the morning. Winners receive a bucket of goodies!!

Because of the current outbreak status the facility is in and the county positivity rate our visitation is on hold.

As a reminder, our total number of cases to date are as follows: 45 residents and 25 staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff North Las Vegas Care Center, I wish you a happy and safe Thanksgiving.

Sincerely,

Braunwyn Delco
