

Christmas Holiday Update

Dear Residents/Families/Friends,

With Christmas and New Year's Eve around the corner, we would like to send you and your loved ones the warmest of holiday wishes. We know how difficult it is to celebrate this time of year without the same traditions we have all grown accustomed to, but with the COVID-19 vaccine becoming a reality in the very near future, we are more hopeful than ever that 2021 will bring happier and safer times for everyone.

As always, we are extremely grateful that you have entrusted your loved ones to our care and we are making every effort to provide our residents with wonderful holidays. We start every morning with cheerful holiday music and we offer a holiday filled hydration cart daily. We are handing out gifts to each resident for Christmas in addition we are taking residents to Glittering lights three times per week.

As a reminder, our cumulative number of cases to date are as follows: 46 residents and 28 staff members have tested positive for COVID-19. Our regular weekly updates will resume next week and we will continue to update you on our website if we receive notifications of new confirmed cases of COVID-19. As always, if you have any questions or concerns please don't hesitate to contact us directly.

On behalf of the entire staff at North Las Vegas Care Center, I wish you a happy and safe Holiday Season.

Sincerely,

Braunwyn Delco
