

WEEKLY UPDATE

5/7/2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that we currently have no confirmed cases of COVID-19 in our facility.

We are offering scheduled visits at the facility through our social service department. These appointments are offered in our dining area. There is a plexiglass divider. All visitors are required to wipe their shoes, wash hands, have their temperature taken and answer questions pertaining to health and Covid-19. Our activities room is open. We have small groups 2-3 times a day for residents. We are vigilant about maintaining safety, we keep residents 6 feet apart, we are requiring hand washing before and after the visit and we wipe everything down between visits.

For Mother's Day we are celebrating with pretty nails and passing out flowers. Our Mother's Day dinner will include a roast dinner with seasoned green beans, fresh baked rolls and golden apple crumble. For National Nursing Home week which begins Monday, we have numerous activities planned for residents which will include themed BINGO, themed movies, themed trivia and celebration cake.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 702-649-7800.

Sincerely,

Braunwyn Delco
