

## WEEKLY UPDATE

**June 12, 2020**

Dear Residents and Families/Representatives,

As of today, we have had 10 residents and 2 staff members test positive for COVID-19. Our staff continues to practice the enhanced safety precautions we have previously reported to you through our website and we are closely monitoring the recommendations of our federal, state and local health officials regarding all aspects COVID-19 from mass testing to visitation recommendations.

In fact, as Nevada continues to loosen COVID-19 restrictions throughout the state, many people are asking when they will be able to visit their loved ones. At this time, the Centers for Medicare and Medicaid Services ("CMS"), the Centers for Disease Control ("CDC") and our state health officials still recommend we restrict social visitation and only allow essential personnel in the facility. Please understand these restrictions are in place to reduce the risk of transmission of COVID-19 in our facility and to keep our residents safe.

We understand how difficult it has been to not see and visit your loved ones over the past several months and we appreciate your patience and understanding during this time. Until it is safe to allow visitors, please remember that we encourage you to stay in touch with your loved ones through FaceTime, emails, letters and phone calls. Please contact social services department to facilitate communication with family and residents. Please contact Shannon Terry, Social Services Director, at [Shannon.Terry@fundlvc.com](mailto:Shannon.Terry@fundlvc.com) or at 702-761-5809.

Please remember to check our website for updates. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19. As always, please contact us directly if you have any questions or concerns.

Sincerely,
