

## WEEKLY UPDATE

**June 26, 2020**

Dear Residents and Families/Representatives,

As of today, 10 residents and 2 staff members have tested positive for COVID-19. All the cases have been cleared and resolved. We performed mass testing from May 11 through May 15 and a total of 335 tests were administered, including staff and residents.

While we focus on stopping further spread of this virus in our facility by continuing to follow the recommendations of our health officials and practicing the enhanced safety measures we have previously reported to you, we also want to make sure our residents' daily routines are as normal as possible. We continue to do daily activities, window visits, essential doctor visits, and courtyard breaks.

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly 702-649-7800.

Sincerely,

*Braunwyn Delco*
