Notification/Weekly Update

July 16, 2020

To Our Valued Residents, Families and Representatives:

Please accept this letter as an update to inform you about the status of COVID in our facility and what we are doing to keep our residents and staff safe during the ongoing coronavirus pandemic.

We have been extremely busy administering tests to all of our residents and staff, which was completed on 7/9/20. We are still waiting for results on all of the tests, but can confirm that, as of today, 32 residents and 15 staff members have tested positive for COVID-19.

While we are disappointed to see the increased number of cases in our facility, we knew that our numbers would likely go up as a result of mass testing. Rather than be discouraged by more known cases, we are encouraged that access to testing is improving our ability to respond to this virus and will enable us to protect our residents and staff in a more targeted way moving forward.

We are committed to seeing the number of positive cases in our facility go down and we will continue to implement and practice enhanced safety precautions recommended by our federal, state and local health officials, such as, only allowing essential personnel inside the facility, performing regular screenings for signs and symptoms of illness prior to entering the building, continually monitoring residents, performing regular deep cleanings, using PPE as recommended by the CDC, providing individual activities as opposed to group activities, implementing isolation protocols as required, and reminding and encouraging staff to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community.

As a reminder, we will post updates on our facility website and we will individually notify representatives/families regarding a resident's condition if he/she tests positive for COVID-19 or is displaying symptoms of COVID-19. If you have any questions or concerns please contact us directly at 702-649-7800.

Sincerely,

WEEKLY UPDATE

7/24/2020

Dear Residents and Families/Representatives,

Please accept this letter as an update to inform you about the status of COVID in our facility and what we are doing to keep our residents and staff safe during the ongoing coronavirus pandemic.

We have been extremely busy administering tests to all of our residents and staff, which was completed on 7/9/20. The results from mass testing came back with 34 positive residents and 13 positive staff members. With all results in, as of today we have 43 residents and 20 staff members that have tested positive for COVID-19. Beginning yesterday we started re-testing those who previously received a positive results. We anticipate results will arrive at the beginning of next week.

As you might already know, the federal government announced last week that it is going to send point-of-care testing supplies for COVID-19 to all skilled nursing facilities in the country. We hope this means better access to testing and faster results for our staff and residents, but we will keep you posted as we get more information and details on this development. As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 702-649-7800.

Sincerely,

Braunwyn Delco

WEEKLY UPDATE

7/30/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this pandemic we have had 43 residents and 20 staff test positive for COVID-19.

We completed retesting residents on our COVID and Quarantine units July 23rd and 24th. Results yielded that 17 of the previously diagnosed positive residents were no longer COVID-19 positive, leaving us with 11 remaining COVID positive residents. This week we've had no staff members test positive for COVID-19. We have 16 staff members that have returned to work.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 702-649-7800

Sincerely,

Braunwyn Delco
