Dear Residents and Families/Representatives,

Please accept this letter as our weekly update on the status of COVID-19 in our facility.

Please note that beginning August 1, 2021 we will no longer be posting weekly updates on our website. We will, however, continue to notify you through our website of any changes in visitation procedures and if we receive confirmation of a new positive case in our facility. We will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

Visitation Status:

We are offering visitation seven days a week from 8:00 a.m.- 6:30 p.m. Visitors are required to wear a mask at all times. Visitors are permitted to the resident's room. Roaming the hall is not permitted. All visitors are required to check in, clean their shoes, have their temperature checked and answer questions pertaining to Covid-19.

Facility Safety Precautions:

We continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Thank you for your support throughout this pandemic, and as always, if you have any questions or concerns please contact us directly at 702-649-7800

Sincerely,
