

WEEKLY UPDATE

7/30/2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this pandemic we have had 43 residents and 20 staff test positive for COVID-19.

We completed retesting residents on our COVID and Quarantine units July 23rd and 24th. Results yielded that 17 of the previously diagnosed positive residents were no longer COVID-19 positive, leaving us with 11 remaining COVID positive residents. This week we've had no staff members test positive for COVID-19. We have 16 staff members that have returned to work.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 702-649-7800

Sincerely,

Braunwyn Delco
